

# Hamburg Area High School 2024 Summer Credit Recovery **Summer Learning Academy or Educere Online**

HAHS is offering two summer credit recovery options:

- **Summer Learning Academy (Free)** - an in-person summer school **-or-**
- **Educere credit recovery (\$200 per Course)**- an online, self-directed credit recovery

It is recommended for students needing to make up a failed core course (Math, Science, English, Social Studies) that they enroll in the in-person option. Educere courses are completely self-directed and require a great deal of motivation. Students who failed with below a 50% final grade are **not** eligible for summer school.

## Additional Information

Registration – The courses listed have been approved by your counselor. You are responsible to register by the deadline. (Summer Academy- June 12<sup>th</sup> • Educere- June 12<sup>th</sup>)

- Please call [Educere](#) directly if you have difficulty registering for courses or accessing the class Educere LLC 1-866-433-8237
- Summer Learning Academy is for core subject courses only. [Educere](#) has a few additional options for electives such as Wellness or Foreign Language. All other failed electives cannot be made up through summer school.

Computer – The Summer Learning Academy will have laptops available for each registered student to use during the summer learning hours. Students who are in need of a device for an Educere course can have the option to utilize a school laptop at a designated time within the High School Building only.

Credit – Students who pass an approved summer school course will receive the equivalent credit for their failed course.

2024/2025 Schedule – Your 2024-2025 class schedule will be adjusted **after** final summer school grades are received.

\*Seniors who are completing Summer School for a graduation requirement, may call the main office to pick up their diploma **after** the grade is finalized and if all other graduation requirements are met (Act 158, outstanding school debts, etc).

If considering Educere, see the attached form for additional registration information. Again, it is recommended for students who failed a Math, Science, English, or Social Studies, to use the Summer Learning Academy option.
