

Schoology How-To's

How to log-in:

The screenshot shows the top of the Schoology login page. At the top left is the Schoology logo. Below it is a white box titled "Sign in to Schoology" with the text "All fields are required". Inside the box are two input fields: "Email or Username" and "Password". Below these fields is a blue "Log in" button. To the right of the "Log in" button are two links: "Forgot your password" and "SSO Login". The "SSO Login" link is circled in red, and a red arrow points to it with the text "Click Here". At the bottom of the page is a footer with the text "Schoology © 2017 · Privacy Policy · Terms of Use · Help Center".

The screenshot shows the middle of the Schoology login page. At the top left is the Schoology logo. Below it is a white box titled "Sign in to Schoology" with the text "All fields are required". Inside the box is a single input field labeled "School or Postal Code". To the left of this field, a red arrow points to it with the text "Enter School's Zip Code (19526) Here". Below the input field is a checkbox labeled "Remember my School". Below the checkbox is a blue "Log in" button. To the right of the "Log in" button are two links: "Forgot your password" and "Regular Login". At the bottom of the page is a footer with the text "Schoology © 2017 · Privacy Policy · Terms of Use · Help Center".

Things to look for in Mrs. Argot's Class

- Course Calendar →

Click Here

- Unit Folders → Each unit is listed, and the organization of each unit will remain consistent. Here you'll find important study resources, as well as digital versions of almost all paper handouts you receive in class.

The screenshot shows the Hamburg Area School District website interface. At the top, there is a red navigation bar with the school district logo and menu items: Home, Courses, Groups, and Resources. Below the navigation bar, the page title is "ALGEBRA 3/TRIGONOMETRY: Section 1-1" for Hamburg Area High School. The main content area lists various materials, including "Mrs. Argot's Schedule and Contact Information", "Syllabus", "Algebra 3 & Trigonometry Curriculum", "Classroom Management", "Book Access for Algebra Trigonometry", and a series of unit folders: "P1 Real Numbers", "P2 Exponents and Radicals", "P3 Polynomials and Factoring", and "P4 Rational Expressions". The "P1 Real Numbers" folder is circled in red, and a red arrow points to it with the text "Click Here". On the left side, there is a sidebar with a "Materials" section containing icons for Updates, Gradebook, Mastery, Badges, Attendance, Members, Analytics, Workload Planning, and eSchoolPLUS. On the right side, there is an "Upcoming" calendar section showing dates from Sunday, November 26 to Wednesday, November 29, with events like "No school Happy T", "IXL B.7 Midpoint f", "IXL B.8 Distance f", and "p 55 #59-68".
