

YEARBOOK

Do you have memories from the past 18 years that you want to include as a part of the 2026 *Pinnacle*?

Parents, guardians, and friends of seniors are invited to purchase space in the 2026 yearbook.

The pricing for memory pages is: Full Page = \$50 Half Page = \$25

Pages can be designed using one of the following methods:

1. On a piece of white paper, you arrange and glue/tape the items on yourself. This is exactly the way that the page will appear in the book, so things must be sized and spelled correctly. The yearbook company will simply scan this entire sheet and print it exactly as it appears.
2. Using a computer graphics program, such as Photoshop, (not MSWord or Publisher), draw your layout and submit it as a JPEG with 600 dpi resolution.
3. Submit the materials (photos, messages, graphics), and our staff will design the page. If you use this method, we will be able to shrink, enlarge, and crop pictures. In addition, text can be sized. This option gives the best photo quality. Your original photos will be returned, but we prefer if you email the picture files as attachments. Sample designs will be on my teacher website.

I will email you to confirm that I received the materials. If you don't hear from me by Thanksgiving, please contact me. I will also email you a PDF of the proof of the page. If you don't hear from me about that by February 1, please contact me.

Fill out and return by **OCTOBER 3, 2025**. Checks payable to Hamburg Area High School
