and help support the Hamburg Area Music Association*

Hamburg Area Music Association SOLUDE Coffee Fundraiser

HAMA will take part in its first SOLUDE Coffee Fundraiser – a unique way to raise funds for the HAMA simply by asking family and friends to “Switch to SOLUDE!”

We are really excited about this fundraiser because:

- The whole event happens **Online!**
- Students and staff **DO NOT** have to collect any money or make any deliveries.
- SOLUDE’s fundraising team is doing most of the legwork!
- SOLUDE Coffee is a high quality product that your friends and family will love and many of them buy coffee anyway!
- Simply by “Switching to SOLUDE” for regular coffee purchases or for your everyday coffee and gifts, your friends and your family can support our school.
- This new program has the potential to earn thousands of dollars over time, and can create a regular sustainable fundraising income for years to come!
- Our students’ contribution to the fundraiser is straightforward and simple: Tell family, friends, neighbors and business contacts to “Switch to SOLUDE” and support the school. We need each student to encourage 10 potential customers to “Switch to SOLUDE” for their regular coffee purchases, or to order SOLUDE as a special occasion gift!

General Information About SOLUDE Air Roasted Coffee:

- SOLUDE offers Every Day coffees plus a full range of gourmet coffees.
- All purchases are freshly roasted to order using SOLUDE’s hot air roasting process to deliver a smooth, rich flavor with **NO bitter aftertaste.**
- SOLUDE only uses Swiss Water decaffeination – no harmful chemicals.
- A wide range of certified Organic and Fair Trade coffees are available.
- These coffees make great gifts –think birthdays, holidays, weddings, etc.
- The coffees are **shipped directly to your home or office.**
- SOLUDE will ship coffee anywhere in the US for a flat fee of \$3. Orders over \$50 enjoy free shipping.
- Choice of whole bean, ground coffee or single serve filters (K-cup type machine).

This is a great opportunity to help our school by simply asking someone to “Switch to SOLUDE” for something they already buy. Special flyers, documents and emails that you can use with family and friends or for social media and will be available on our Hamburg Area Music Association Website that you can download and edit. If you have questions, Call Barbara DeLeon (484)650-5003.

We appreciate your support. Please spread the word about our new fundraiser to neighbors, co-workers, families and friends!
